Recommendation A. 9.

1. We concur in this recommendation.

25X1A6a

2. As indicated earlier, the establishment of a resident agency in upstate ~~New York~~ should operate both to relieve pressures on the [REDACTED] and to enlarge the exploitation of this proven area. An extensive survey in 1952 resulted in a request at that time for authority to open a resident agency in [REDACTED]. This request was deferred, and was not reopened due to subsequent personnel limitations.
